Chris Christie
Governor

September 2017

Dear Colleagues:

I am honored to thank you for your generous support for New Jersey’s Annual Employees Charitable Campaign (ECC).

The needs of the more than 1,100 ECC participating charities have continued to expand because of your compassion and philanthropy. Some of these programs include medical research, literacy development, neighborhood revitalization, humanitarian and disaster relief, environmental education, conservation programs, early childhood education, senior citizen assistance and many other worthy projects. Participating in the ECC this year is an opportunity to support this work and make a difference in the lives of others.

As Governor, I am proud of the generosity, teamwork and commitment demonstrated by our State workers every day. You have already dedicated your professional lives to helping your fellow New Jerseyans, and your commitment to the ECC has provided millions of dollars to assist and support charitable organizations in our communities, throughout the State and around our globe. With your continued support, I am confident that the campaign will continue to grow.

I am pleased to join with Office of Information Technology Chief Technology Officer Dave Weinstein and President of Stockton University Harvey Kesselman, Co-Chairs of the ECC, in encouraging you to participate in this year’s campaign. No matter the amount, your contribution will go directly toward improving the lives of those in need. Again, your support is greatly appreciated.

Sincerely,

TOP REASONS TO GIVE THROUGH THE NJECC

It’s Easy

✓ Each year, the NJECC will remind you to plan and budget for contributions to causes you care about.

It’s Convenient

✓ Search charities by keyword online and read about their programs.

✓ Pledge now and pay in 2018 – Payroll deduction makes it easier to afford a more generous gift, allowing you to make smaller payments from each paycheck.

Quality and Choice

✓ More than 1,100 charities serving a wide range of programs are eligible for your gift.

✓ Charities must apply annually to ensure they meet stringent requirements.

Efficiency

✓ The NJECC’s low administrative cost (10% of the prior year’s campaign) is a lower percentage than most charities spend on fundraising and administrative costs themselves.

✓ NO STATE MONIES are used to run this campaign.

✓ Charities that receive NJECC donations may devote their NJECC funds to areas where they are needed the most. That’s a value-add for the donor AND the charity.

✓ Designated charities receive one check quarterly for multiple donations.

From September through December 2017, public employees will be asked to contribute to the Employees Charitable Campaign (ECC). The ECC is more than a campaign. It’s about connections – public employees reaching beyond their workplaces to connect with their communities and causes they care about.

The benefits of giving aren’t limited to those who receive. Winston Churchill described the blessings of helping others when he said, “We make a living by what we get. We make a life by what we give.”

THANK YOU –

from hundreds of non-profit agencies serving the great people of New Jersey!
