The Summer Pops Music Instruction program is for **students attending Galloway Township Schools and who are entering 5th - 9th grade during the 2023-2024 school year.** This program offers six hours of music instruction per week for \$175. Band directors will assign students to the band best suited for their development. We will notify you of your band assignment in June. Each session will consist of small group instruction plus band rehearsal. If your child needs special attention, that will also be provided. **Note: Your child must have a minimum of ONE YEAR of school instrumental instruction.**
