

**Galloway Township Public Schools**  
**PRE-SCHOOL Immunization Requirements**

All students entering preschool are required by state law to have a current physical exam and immunizations as specified in the Immunization of Pupils in School rules, New Jersey Administrative Code (N.J.A.C 8:57 – 4).

***Your child is required to have the following immunizations prior to the first day of preschool:***

DTaP (Diphtheria, tetanus & acellular pertussis) – **4 doses**

Polio (Inactivated Polio Virus) – **3 doses**

HIB (Haemophilus influenza type b) – **At least one dose given on or after the 1<sup>st</sup> birthday**

PCV 13 (Pneumococcal conjugate) – **At least one dose given on or after the 1<sup>st</sup> birthday**

MMR (Measles, mumps, rubella) – **At least one dose given on or after the 1<sup>st</sup> birthday**

VAR (Varicella) – **At least one dose given on or after the 1<sup>st</sup> birthday**

**IMPORTANT NOTE**

*Those students who have not completed the state mandated immunization requirements on or before their date of school entry will be **excluded from school until ALL requirements have been met.***

**INFLUENZA**

The current seasonal influenza vaccine is required every year for those children 6 months through 59 months of age. Students who have not received the flu vaccine by December 31<sup>st</sup>, must be excluded from school for the duration of influenza season, until they receive at least one dose of the influenza vaccine or until they turn 60 months of age.

**PHYSICAL EXAM**

A current physical exam is required for school attendance. Proof of this exam must be submitted within 30 days of the first day of school. This exam must have been performed within the past 365 days of your child's first day of school.

**\* Note:** Students entering GTSD from out of State or Country have 30 days from date of entry to produce documentation of required IMMUNIZATIONS/PHYSICAL.
