TLF Pre-observation Planning Form

1. What type of activity is being observed? What are the main goals of the activity?
2. To what components of the TLF rubric does the activity connect?
3. In what ways will other stakeholders participate in the activity? (e.g. grade 3 teacher, intervention teachers, new teachers)
4. What materials are being used? What is the source of the materials and how do they support the goals?
5. Is there any other information you believe the valuation needs as relevant to this observation?
